A journey is best measured in friends, rather than miles. The world is a book and those who do not travel read only one page. A destination is not a place, it's a new way of seeing things. Exploring the unknown requires tolerating uncertainty. Travel is fatal to prejudice, bigotry, and narrow-mindedness. A journey of a thousand miles must begin with a single step. Be prepared to go anywhere, providing it is forwards. Not all those who wander are lost. It's the journey, not the arrival, that matters.
