Quick Overview

La de da! sources each and every piece of cutlery here in the UK then each letter is individually hand stamped in Gloucestershire. The cutlery is silver plated and vintage, it is lovingly hand stamped with sentimental and witty quotes creating a timeless keepsake. The cutlery has had a previous life, therefore signs of it's history may be visible, adding to it's unique charm and beauty. The cutlery is authentic and not mass produced therefore we cannot supply exact images of each piece. As it is silver plated, it is not dishwasher safe. We recommend hand washing in warm water, and as silver is prone to tarnishing, a good clean every now and then is also recommended
