Christmas Midnight is updated for 2021, it truly focuses on the indulgent side of Christmas. We include the essential fayre, we incorporate mince pies, a rich Christmas pudding, and even a Chocolate log. Christmas Midnight is crammed full of gourmet sweetness. With chocolate slabs and caramel fingers, we have created a gift for someone with a sweet tooth. Crammed full of baked goodness, we have also incorporated tea and coffee, this creates an 'tea and biscuits' aura around this Christmas Gift box, or maybe for those dark winter nights when we appreciate the warmth of a warm brew and a really good slice of millionaire's shortbread. Amongst the rush and the chaos of Christmas, we all know when you finally get to put up your feet and have some me-time, it is an amazing feeling. Why not give someone this opportunity in the form of a gift. Gourmet food Gift Baskets and Gift Hampers are the future of gift giving, something everyone can truly enjoy. We all indulge and snack over the Christmas period, but let someone do it in style this year, with high quality, premium tasting foods. The Little Box of Happiness is also new for 2021, we are launching a new side of Gift baskets, It focuses more on the quantity of items we can fit in, with zero compromise to the quality. We are really excited to see if you love them just as much as us. We make sure that the products we have put inside are combined in relation to taste, colour and purpose, nothing goes into our creations without reason, and that is why you return to us every year, Trusting us with your gifts for your loved ones. Welcome back for 2021, we hope you like what we have done.
