Quick Overview

An extremely cute soft & snug organic cotton babygrow by Frugi Baby Clothes with built in scratch mitts. Newborn sizing. With so many babies suffering from eczema these days, it's even more important that their clothing is free from chemicals and super soft. You won't find better than these organic babygrows for quality and purity.

Details

Babies will look adorable in this cute organic sleepsuit with fold-back scratch mitts to stop baby from scratching their face, and keep little hands warm at night. Toes will be snug all tucked inside. This organic cotton babygrow has poppers going down the centre and has been cut to fit over cloth nappies.
