Jam-packed with both sweet and savoury goods, the large hams are usually the first to sell out, so if this seems appealing to you we recommend you order soon and select your delivery date for in December to avoid disappointment. That is not where the charcuterie ends, with a selection of meats and cheeses. This selection of chilled foods will compliment everyone's kitchens this Christmas, and we know that the recipient will just love it. We love catering for whole families and we have done just that. Although at first glance this may not seem as sophisticated as the other Gift Hampers we offer, this isn't the case. Along with the children, who will want selection boxes for breakfast and nothing but sugar. Which throughout the year may be frowned upon, but at Christmas surely we can forgive them for the excitement?
