Details

With the launch of our 'Box of Happiness' we have managed to create a box crammed full of gourmet products which focuses on both quantity and quality, especially for your Dad. This gift is ideal for a modern Dad who looks after his health and well being, enjoys travelling, or is interested in fashion and lifetstyle. A magazine of your Dad's interest is complimented by a selection of gourmet foods and craft beers. Any modern Dad will be fascinated with all the new flavours and products he gets to try on Father's Day. This is the perfect gift to spoil any Dad, an excuse to put his feet up and indulge himself, on only the best selection of products.
