Details

The Christmas Traditional Chilly Feast focuses on the savoury elements of Christmas. With Christmas salmon and Christmas ham as a gorgeous addition to this Gift Hamper, our savory versions are always hugely popular, and usually some of the first Gifts to sell out. Keeping in line with the savoury theme, there is cheese, oatcakes, chutneys and teas, all Traditional Christmas essentials. No Traditional Christmas Feast is complete without Christmas fayre, which is why we have not only included a rich Christmas pudding, but also luxury mince pies and even a Christmas cake. Feasts also need a sweet treat, which is why we have included a big box of Lindt, a selection of chocolate truffles, chocolate apple sticks and Christmas fudge. The Feast is complete. We even go as far to ensure that there is a colour theme. This Traditional Christmas Hamper has a seasonal red theme, this helps the Hamper appear as a gift, it looks more expensive and it is evident the amount of time and detail has gone into creating such a gift. It all comes together to create a gift as a whole instead of a product selection. Gifts need to look amazing as well as taste. We make sure it will look exactly as you would want to if you were sending it yourself. We design gifts, so the quality is of the highest standard, that when it arrives and someone is truly blown-away by the thought and effort you have gone to when choosing their gift. Everyone loves food at Christmas, and this surely is a feast, would you love it if it arrived at your door? Then send it as a gift to someone else and they will love it just as much, if not more. This Christmas Traditional Chilly Feast Hamper has been designed to be sendable to all your loved ones, it has everything included for Christmas and we know they will just love it.
