

Black Summer Truffle 25g

£6.99

OUT OF STOCK

Quick Overview

25g, drained weight 19g

Details

Whole Black Summer truffles (Tuber Aestivum) in truffle juice from the forests of Lleida in Catalunya. Black summer truffles are a milder more subtle flavour than winter truffles, but are great shaved on to dishes like scrambled eggs, goat's cheese with honey, or a simple salad of baby leaves and walnuts with a mustard-vinaigrette dressing. Obviously they also partner well with mushroom dishes and meat casseroles, adding depth of flavour.
