Details

A Luxurious gift set drum allows a woman to pamper herself on her Birthday within the comforts of her home, with a diffuser and candle to enjoy while she reads her magazine. The treats do not stop there, a wide selection of chocolates, including Lindt Lindor, Doisy & Dam and Motezuma's ensure that the Birthday theme runs strong in this Birthday Gift Basket. Some women with families don't have time to go out and pamper themselves, but this Home Comfort Birthday Gift Basket creates the opportunity for a woman to pamper herself from the comforts of her own home, relaxed with her feet up. Made possible by the collection of pamper goods and sweet treats chosen especially for a Woman on her Birthday. The collection of treats and sweets are products which a woman might not usually buy for herself, but to make her Birthday extra special we have included a selection that she can try and love, such as chocolate covered fruits, chocolate pretzels and gourmet marshmallows, either to share or indulge by herself!
