Details

Our New Home Range includes an abundance of teas and coffees, the perfect mix of delicious treats and a beautiful selection of non-food items to make the recipients feel at home. Each Basket also contains a decorative East of India Home Ornament. While moving house is an exciting step, it can also be emotional if we are leaving somewhere special behind. The New Home Gifts Galore Basket is designed to make the recipients feel at home straight away, and bring back the fun of moving house. Tea and Coffee are essential to making us feel at home. This New Home Gift is filled with a double helping of tea-both earl grey and english breakfast- and a bag of premium Irish Roasted Coffee. Of course a cup of tea or coffee must be paired with a biscuit or a slice of cake. We've included a gorgeous selection of baked goods from chocolate covered caramel slices to Irish Oat Cookies, and even a freshly baked chocolate cake, perfect for serving up at the housewarming. When it comes to snacks, this housewarming gift has something for everyone. There are real fruity flavours throughout in the form of jelly sweets, jellystar biscuits, chocolate covered mango and strawberry truffles so anyone with a sweet tooth is guaranteed to be satisfied. For those who prefer savoury, we've included cheddar and onion crisps, lemon and rosemary olives and spanish honey, which comes beautifully presented in a terracotta jar. Finally, for the chocolate lovers out there, we have an abundance of dark chocolate treats from chocolate marshmallows to coconut bites and hazelnut butter cups. This housewarming gift really pulls out all the stops. Nothing makes us feel more at home than a candle that creates warmth and a new home scent. To top this off, we've included a gorgeous fallen leaves diffuser and a decorative home oranament, which comes printed with a thoughtful message and can be treasured by the recipient for years to come. When creating this basket we really wanted to capture the essence of home. For this reason we chose a purple and yellow colour scheme. Purple creates a feeling of comfort, while yellow is a warm inviting colour. This is tied together by a green ribbon and gift card, which signifies new beginnings.
