Details

Filled with multiple Artisan Foods championing the craftsmanship of the UK, Ireland & Europe's finest small food producers, it's little wonder that our popular Great Taste Award Gold Gift-Hamper enjoys a very loyal following. The Gold Gift-Hamper was first introduced in 2007 and has been meeting expectations ever since, with a wide selection of gourmet foods the recipient is unlikely to have sampled before. The Great Taste Award Gold Gift-Hamper contains a diverse range of flavours and unique products. We always make sure to create an amalgamation of flavours within a gift-hamper, for the great taste award gold gift-hamper we included a mix of sweet and savoury flavours. From chocolate enrobed mango, to single estate chocolate truffles, and French pâté, we are sure this gift-hamper will be a winner. The 2022 update of this gold medal gift will be sure to wow with its assortment of products and its stunning golden colour scheme, igniting feelings of warmth and happiness. The use of colour adds another layer of perfection to this hamper, unpacking this gift-hamper will be like beaming a ray of gold sunshine into the room. This gift-hamper was conceived on the basis of creating a premium quality grade of hamper, which was prepared to pay for the cost of that quality and was achieved by the sacrifice of the perpetual inclusion of white or red wine. For the Great Taste Award gift-hamper range we reserve foods that are a little bit special, and often too expensive for inclusion in conventional hampers. We introduce supporting high quality food elements, which are memorable, practical and distinctive, which we are sure you can see from this hamper. Our GTA range has been delivered to the UK for more than ten years now. All of our hampers for the UK ship within one to two working days after ordering. Normally, delivery to the UK is next day, for more remote areas of the UK it may take an extra day.
