Details

This majestically handsome fellow is Louis, a glorious 47cm tall Silver Tag Bear. He is fully jointed and heavily weighted with beans for that, fabulously significant, cuddly feel. Louis is wonderfully sewn using a generously dense and fluffy, soft luxe golden auburn plush, with velvet smooth accents for his inner ears and paws, that feature embroidered definition. His glossy black eyes, rest upon white felt for even more impact against his magnificent coat, whilst his muzzle has been carefully scissor sculpted and is the perfect platform, for his striking, two tone thread, characteristic nose. To finish, Logan is dressed in a silky white, satin cravate, with a silver surrounded, crystal pin, plus a decadent, woven herring, pattern tweed waistcoat with satin accents in black and royal blue, fastened with three silver buttons. A true gentleman in every sense of the word!
