Details

Soothe and relax your body today with our microwaveable body wraps. Made with 100% pure cotton, our body wraps are filled with natural flax and Lavender seeds, to create a therapeutic wrap that can be used hot or cold. The soothing body wrap is designed to fit comfortably around the neck, over a shoulder, wrapped around an arm or leg, across the stomach or around the lower back. Whether you're treating sports injuries, tension or just like to enjoy the textured feel of the flax seed moulding to your skin and subtle Lavender fragrance, this is the perfect treat for you as well as an ideal gift for your loved ones. Use warm on aching back, shoulder, neck and stomach muscles, for stress and to relieve arthritic joint pain. .
