

Aroma Home Knitted Owl Hottie

~~£19.99~~ £16.99

OUT OF STOCK

Quick Overview

This cuddly knitted Microwaveable Owl Hottie is the perfect way to keep warm and cosy at night, in bed or cuddled up on the sofa. Fragranced with relaxing lavender to help you drift off to sleep.

Details

Soothe and relax your body by cuddling up to our adorable and ever popular knitted owl hottie. A modern day alternative to a traditional hot water bottle each hottie has an easily removable calico insert, filled with tourmaline and lavender seed. The calico insert when popped in the microwave and gently warmed releases an aromatic fragrance to help induce sleep and deep relaxation. Heat in the microwave only as per instructions enclosed.
