

Stress Spot Wooden Hand Massager by Hydrea London

£5.49

OUT OF STOCK

Quick Overview

Sustainable Beechwood product

Details

Hydrea's Wooden Hand Held Massager releases tensions, reduces stress, stimulates circulation, stimulates the lymphatic system, helps repair damage caused by over-exertion of muscles and encourages relaxation of body and mind. The massager is easy to use and small enough to take on your travels. Size: 9 cm x 11 cm
