£9.99

OUT OF STOCK

## Quick Overview

Coconut oil is perfect for cooking, baking, spreading and for moisturising hair and body Organic, extra virgin, cold pressed and unrefined Hair and body moisturiser Ideal for high temperature cooking Suitable for vegetarians, vegans and gluten intolerants

## Details

Cocofina's Organic Coconut Oil is cold pressed, extra virgin, unrefined and comes from an exceptional species of coconut. It is the oil extracted from the meat of the coconut, one of the most nutritious parts. Perfect for cooking, it is also a great skin and hair moisturiser as it helps the body to absorb minerals.
