

Kilbeggan Organic Porridge Oats 500g

£4.99

OUT OF STOCK

Quick Overview

Ideal where there is only one person in the house eating breakfast, although many people also eat porridge oats in the evening time as a healthy snack. The oat crop is grown in soil which is enriched and sustained by good farming practice and without the use of any synthetic chemicals Weight: 500g

Details

Kilbeggan porridge is produced from oats grown in Ireland by the 5th generation Lalor Family, on their farm in Kilbeggan. The oat crop is grown in soil which is enriched and sustained by good farming practice and without the use of any synthetic chemicals. Kilbeggan porridge tastes like "Just the way porridge used to be"
