Details

The Leading Ladies Gift Basket is a truly beautiful gift that is guaranteed to surprise and delight when it arrives attractively presented on her doorstep. Filled with an exquisite selection of confectionery delights, combined together to give her the excuse to put her feet up, sit back and relax. A choice of yummy mummy candle or a generic sunflower scented candle, allows this gift basket to be purchased for Mother's day, as well as all year round as a gift to the leading lady in your life. Any lady will be delighted to receive this pretty wicker gift basket containing a selection of scrumptious sweet treats. She will discover a box of chocolates from the epitome of Swiss excellence, the master chocolatiers of Lindt, a box of mouth-wateringly delicious chocolate smothered Belgian stroopwaffles. Perfect for sharing is the melt-in-your-mouth chocolate dipped shortbread box, and the millionaire caramel and chocolate traybakes baked by from a local Irish bakery. Both are the perfect accompaniments to a hot cup of freshly roasted coffee on a spring afternoon. The Leading Ladies Gift Basket also includes vegan-friendly, junk-free,sugar-free and shamelessly tasty Love Bears from Jealous Sweets. Created with natural fruit juices and the finest of ingredients, proving itself to be a best-seller among its confectionery rivals. The Leading Ladies gift basket will leave her in no doubt that this is a gift that has been specially designed and selected for both it's quality and thoughtfulness.
