Details

The Easter Basket for 3 Kids stems from our best-selling Easter Bunny Basket. But that's right, you've guessed it! We've taken everything The Easter Bunny Basket has and multiplied it by 3. Making this 3x the fun and 3x the excitement! Perfect for 3 little ones to fight over - I mean share! Newly updated for 2021, The Easter Basket for 3 Children is back and better than ever! Bursting with a delightful assortment of popular Easter treats which have proven themselves to be guaranteed hits with kids, time and time again. We start with the traditional and humble Cadbury's Chocolate Easter Egg because let's face it, Easter wouldn't be Easter without this popular favourite for just about all ages. Next, we add a touch of sophistication with the epitome of swiss excellence in the form of hand-crafted, golden Easter bunnies by the master chocolatiers of Lindt. To further broaden the smile on your little one's faces, this Easter Basket also includes six delicious lollies, three packets of marshmallows and an Easter balloon to add that extra POP! I mean, extra celebration factor. By now I know you're thinking, "wow. This Easter Gift couldn't get any better!" but believe me it can, with the addition of vegan-friendly, sugar-free, junk-free and shamelessly tasty Tanga Worms by Jealous Sweets. Created with natural fruit juices and the finest of ingredients, proving itself to be a best-seller among its confectionery rivals. So, you can rest assured your little ones are only getting the best of the very best. Last but by all means not least, The Easter Bunny Basket for 3 Kids wouldn't be complete without its namesake, the Easter bunny himself and his best friends Woolly the lamb and Paddy the Collie, in the form of three cute and cuddly Pippin toys from Keel Toys. Each Pippin is unique in character, finished in super-soft fabrics and identified with their signature name tags and birthdays. Meaning each child will have their own little Spring friend to play with together. That sounds like hours of fun for the kids and hours of peace and quiet for the adults, (if the kids haven't eaten too many Easter treats in one go that is...)
