Details

The Easter Bunny Basket for 2 Children is one of our top-selling Easter Gift Baskets each year. It stems from our original, top seller, The Easter Bunny Basket. This one, however, is double the goodies and double the fun! Making it perfect for two little ones to fight over - I mean share! Newly updated for 2021 this Easter Basket is back and better than ever! The Easter Bunny Basket for 2 Children is filled with a delightful assortment of popular Easter treats which have proven themselves to be a guaranteed hit with kids. We start with the traditional and humble Cadbury's Chocolate Easter Egg because let's face it, Easter wouldn't be Easter without this popular favourite for just about all ages. Next, we add a touch of sophistication with the epitome of swiss excellence in the form of hand-crafted, golden Easter bunnies by the master chocolatiers of Lindt. To further broaden the smile on your little one's faces, this Easter Basket also includes four delicious lollies, two packets of marshmallows and an Easter balloon to add that extra POP! I mean, extra celebration factor. By now I know you're thinking, "wow. This Easter Gift couldn't get any better!" but believe me it can, with the addition of vegan-friendly, sugar-free, junk-free and shamelessly tasty Tangy Worms by Jealous Sweets. Created with natural fruit juices and the finest of ingredients, proving itself to be a best-seller among its confectionery rivals. So, you can rest assured your little ones are only getting the best of the very best. Last but by all means not least, The Easter Bunny Basket for 2 Children wouldn't be complete without its namesake, the Easter bunny himself and his best friend Whooly the lamb, in the form of two cute and cuddly Pippin toys from Keel Toys. Each Pippin is unique in character, finished in super-soft fabrics and identified with their signature name tags and birthdays. Making this Easter Gift as unique and special as the lucky little recipients.
