Details

One day a year you get the chance to show your Mum that she means the world to you, and this Mother's Day Explorer gift basket provides all the essentials of a spectacular Mother's day treat. We have taken advantage of the wide range of local artisan producers to assemble a wide variety of sweet treats and delightful gifts. We have included a beautiful china Rufus Rabbit mug to ensure a lasting reminder of what a wonderful Mother she is every time she sits down for a well earned cuppa. The thoughtful addition of a boutique candle tops off the display with subtle scents to encourage a feeling of relaxation and releasing of anxieties. For this Mother's Day Explorer basket we chose to forgo the traditional pink and purples of Mother's Days past and bring a modern opulent vibe to this new Mother's Day gift basket. We have scoured the country to find the finest producers of gourmet products, and combined them to create a mouthwatering selection of creamy chocolates and rich baked items that go along perfectly with local tea included in the Mother's Day Explorer gift. Sometimes hardworking Mums need a little bit of encouragement to take a day off and truly pamper themselves on their dedicated day, so we have carefully selected these treats to entice and satisfy all palettes, ensuring a pampering experience to enjoy and unwind on Mother's Day. Show your Mother the love and appreciation she deserves this year with this brilliant Mother's Day gift basket that is hand packed to ensure receiving this gift is as fun and enjoyable as the treats they will discover inside.
