### Details

Relax and Pamper Gift basket crafted by using the best selection of products to make it desirable and memorable for your Mother on Mother's Day. This is a thoughtful pamper Mother's Day gift basket also containing a satisfying assortment of confectionery to mark a celebration as Mother's Day. Throughout the years working in gifts industry we have got that feeling what Mothers would like on Mother's Day and what would keep them smiling all day long. While creating this Relax and Pamper Gift we had an idea to create something more than just a selection of sweets, we wanted to make this Mother's Day gift basket so special that your Mother will never forget. A pamper element was exactly what we were looking for, there are very rare times we do some pamper for ourselves, especially Mothers who look after everybody else but often forgets themselves. This Relax and Pamper Gift basket would be that incentive which would encourage your Mum to give some time to herself doing some pamper procedures with the best selection of pamper products from innovative suppliers we use. A thoughtful Mother's Day gift basket like this will remind your Mummy how much you love her and how much you care of her well being. This gorgeous Relax and Pamper Gift basket coloured in the nicest pastel shades will be the best gesture of appreciation and love you send to your Mother on this Mother's Day. And just imagine: she opens her house door and she finds a beautifully packed Mother's Day gift, wrapped with the nicest ribbon, full of the best quality confectionery, a set of pampering products and a lovely personal Mug which will be constantly used as her morning cuppa to remind her of you.
