

Frugi "Animal Map" Unisex Babygrow (6-12m)

£19.00

OUT OF STOCK

Quick Overview

Mini globe-trotters can travel the world with this bold organic cotton babygrow, featuring an all-over Animals Of The World pattern, and a yellow trim. Babies will look adorable in this cute organic sleepsuit with fold-back scratch mitts to stop baby from scratching their face, and keep little hands warm at night. Toes will be snug all tucked inside. This organic cotton babygrow has poppers going down the centre and has been cut to fit over cloth nappies.

Details

Frugi clothing really is something to get excited about. Fab designs that children and parents love with all kinds of wonderful colours and playful prints. Frugi clothing is made from soft organic cotton that's kind to sensitive skin making it eczema friendly. Fair trade and organic certified Frugi cotton isn't sprayed with any chemical pesticides that can harm the environment, the cotton farmers and your skin so it's super eco-friendly. Everything is made in Fair trade factories in India where employees are given a fair wage as well as access to a free GP for them and their families. Planet Frugi, we care what kids wear!
