Details

The Easter Girl Gift is just as it's name describes. The perfect Easter gift created with a younger girl in mind, but of course, any child would be delighted to receive this gift. Especially if they love fun-filled activities and lots of treats! As The Easter Girl gift is filled with a carefully selected, delightful mix of Easter goodies. Guaranteed to be a gigantic hit. Starring the traditional and family favourite Cadbury's Chocolate Easter Egg because let's face it, Easter wouldn't be Easter without a Cadbury's chocolate egg, but why stop there! Less is never more at Baskets Galore so to further broaden the smile on a little girl's face, this Easter Basket also includes two delicious lollies, marshmallows, chocolate buttons and an Easter balloon to add that extra POP! I mean, extra celebration factor. By now I know you're thinking, "wow. This Easter Gift couldn't get any better!" but believe me it can, with the addition of vegan-friendly, sugar-free, junk-free, and shamelessly tasty Happy Bears by Jealous Sweets. Created with natural fruit juices and the finest of ingredients, proving itself to be a best-seller among its confectionery rivals. So, you can rest assured your little ones are only getting the best of the very best. To really amp up the excitement and wow factor! The Easter Girl Gift also includes two fun-filled activity games to keep them busy over the Easter break (their parents will thank you later). Last but by all means not least, The Easter Girl Gift wouldn't be complete without the Easter bunny herself in the form of a cute and cuddly Pippin toy from Keel Toys. Each Pippin is unique in character, finished in super-soft fabrics and identified with their signature name tags and birthdays. Making this Easter Gift as unique and special as the lucky little recipient.
