Details

If you're looking for a gift idea for four people or the perfect gift for a couple with kids this Easter then look no further. The Easter Spring Decadence Hamper includes something for the whole family to enjoy. Guaranteed to bring a smile to everyone's face this Eastertime. This beautifully presented, white wicker hamper contains four, all-important, chocolate eggs, because let's face it, no Easter gift would be complete without chocolate Easter eggs. We've included two Cadbury's chocolate eggs for the little or littler ones – a true generational favourite - and two slightly more sophisticated Lindt chocolate Easter eggs for the grown-ups. We have also included the epitome of Swiss excellence, the quintessential Easter bunny, wrapped in golden foil, also by the master chocolatiers of Lindt. The Easter Spring Decadence Hamper also contains some of the finest chocolate from our very own shores and slightly further afield. First up, in a beautifully presented powderpuff style box, is Dublin originating Butler's. Described as little pieces of happiness with every taste. This box of Milk Chocolate Flake Truffles captures the art of good taste, beautifully combining milk chocolate and hazelnut. Staying put on the Emerald Isle with our next addition, Skellig's Orange Brittle. Skellig's who manages to encapsulate the beauty of Ireland into beautiful chocolate creations and multi-award winning, Lithuanian newcomer Naive Chocolate. Determined to disrupt traditional chocolate creation methods with new, innovative ideas and flavour combinations. This organic craft chocolate armed with the finest ingredients continuously breaks the mould with the most unique flavour profiles and distinct taste and the results are truly luxuriant. We have also included a moreishly delicious chocolate fudge cake from The Original Cake Co. Perfect served cold but even better served hot with a dollop of clotted cream. Paired with a beautifully rich, bottle of red wine to truly elevate this chocolate exploration. Or for the added celebration factor, we have also added a bottle of luxurious prosecco.
