If you're looking for the perfect gift for a family this Easter then look no further. The Easter Party Eggstravagance gift basket is bursting with an incredible selection of Easter delights. It truly encapsulates everything an Easter gift should be; fun, fresh and full of chocolatey treats. Combining a variety of tastes and flavours, The Easter Party Eggstravagance contains something for the whole family to fight over - I mean share! Of course no Easter gift would be complete without the quintessential Easter eggs, so we've included not one, but three! The generational favourite, Cadbury's chocolate for a younger family member perhaps. While including the epitome of Swiss excellence in the form of two golden chocolate Easter eggs and hand-crafted, golden bunnies by the master chocolatiers of Lindt. Next, we have added a deliciously indulgent chocolate fudge cake by The Original Cake Co. Perfect served cold, but even better served hot with a dollop of clotted cream. The Easter Party Eggstravagance also includes deliciously rich chocolate buttons by Doisy & Dam, a selection of crisps and pretzels and peanut butter cups. All of these irresistible treats are perfectly accompanied by the inclusion of four award-winning bottles of Luscombe Fruit Crush. Made with fresh fruit blends and Devon spring water these sophisticated glass bottles contain no artificial colours, flavour enhancers or preservatives. So you can rest assured that your lovely recipients are only getting the best, of the very best. Guaranteed to go down a treat this Easter!
