

Lamaze Sir Prance A Lot Early Developmental Toy

£14.99

OUT OF STOCK

Quick Overview

This regal steed is full of developmental features that capture baby's imagination and stimulate the senses. Baby will have fun squeaking the "knight" atop Sir Prance-a-lot's back. His clacking rings can simulate the sound of galloping as baby makes the knot-tie activity legs move. Sir Prance-a-lot also has rewarding jingle and crinkle sounds.
