

Anyone can catch your eye, but it takes someone special to catch your heart. All you need is love. But a little chocolate now and then doesn't hurt. In true love the smallest distance is too great, and the greatest distance can be bridged. Love is an irresistibly desire to be irresistibly desired. True love stories never have endings. I Love You. Love puts the fun in together, the sad in apart, and the joy in a heart. To the world, you are one person, but to one person you are the world. When love is not madness, it is not love. Trip over love, you can get up, but fall in love and you fall forever. Love is like playing the piano. First you must learn to play by the rules, then you must forget the rules and play from your heart. A life with love will have some thorns, but a life without love will have no roses. If love is great, and there are no greater things, then what I feel for you must be the greatest.
