

Tingli Scalp Massager

£6.99

OUT OF STOCK

Quick Overview

Head for the ultimate chill out with the Tingli Head Massager. Specifically designed to stimulate nerves and acupressure points on the scalp and neck, it sends shivers down your spine and makes you tingle from head to toe! Gently massage the soft tipped wires over the top of your head, or better still let someone else do it for you. The flexible wire fingers caress the contours encouraging improved circulation and a feeling of calm. Sense-ational... a fantastic gift for everyone - even that man who has everything!

Details

The soft tipped wires gently massage the top of your head . Made from brushed aluminum and stainless steel wire.
