Details

The Budding Birthday gift basket is a brilliant birthday gift basket for a special woman. Flowers, an iced birthday cake, a birthday mug, and a host of favourite sweet and savoury food treats ensure there are plenty of flavors to enjoy while she celebrates her special day. Accompanied by a pretty rose plant presented beautifully with ribbon in a gift bag, and a pretty birthday gift mug with a message to let her know that she gets 'more fabulous every year.' We're happy to theme this lovely birthday gift with a specific age on the greetings card and cake, simply make reference to the birthday age in your card message at checkout, and we'll include an appropriate age sticker on the cake sleeve and greetings card.
