Details

Sparkling Birthday Basket is an exciting and unique gift option to send to a female relative or friend who enjoys wine or likes trying new flavours. It contains a bottle of Prosecco, a popular New Zealand Sauvignon Blanc wine and a fruity strawberry wine from Devon. An interesting and diverse mix of snacks include spicy ginger dark chocolate, scrumptious real fruit jellies, flavoured crunchy corn and crispy seaweed thins, amongst others, and a magazine of choice will give the birthday girl a perfect opportunity to kick back and relax after any birthday celebrations. Customise this gift with any age you wish; simply write the age you would like in the gift card message and we'll theme the cake sleeve and birthday card appropriately.
