Details

A journey is best measured in friends, rather than miles. Bon Voyage! To travel is to discover that everyone is wrong about other countries. The world is a book and those who do not travel read only one page. A destination is not a place, it's a new way of seeing things. Do not follow where the path may lead. Go instead where there is no path and leave a trail. There are no foreign lands. It is the traveller only who is foreign. A journey is like marriage - the certain way to be wrong is to think you control it. Exploring the unknown requires tolerating uncertainty. Travel is fatal to prejudice, bigotry, and narrow-mindedness. Not all those who wander are lost. A journey of a thousand miles must begin with a single step. Man cannot discover new oceans unless he has the courage to lose sight of the shore. Be prepared to go anywhere, providing it is forwards. Travel makes one modest, you see what a tiny place you occupy in the world. It’s the journey, not the arrival, that matters.
