Quick Overview

A stylish, wordy mug featuring a message about being sexy in a vintage typewriter font with one word highlighted in bright red.

Being sexy is all about attitude, not body type. You don't have to be naked to be sexy. Being sexy is something inside, and not everybody has it. Sex appeal is 50% what you've got and 50% what people think you've got. A great figure or physique is nice, but it's self-confidence that makes someone really sexy. Sexy is kind of like an aura around someone. Hello Sexy. No matter what someone looks like, if they're confident, they're sexy. Fashion cannot make you sexy, experience makes you sexy, and imagination makes you sexy - you have to live your life to be sexy. Being sexy is not about suggestion, or insinuation. Sexy is all about less is more - the less you reveal the more people can wonder. Sexiness is about being an individual and having conviction about what that is. Confidence is the sexiest thing a person can have. It's much sexier than any body part. Intelligence is enormously sexy.
