Details

The more you invest in a marriage, the more valuable it becomes. Men who have a pierced ear are better prepared for marriage, they've experienced pain and bought jewellery. Newlyweds become oldyweds, and oldyweds are the reasons that families work. A successful marriage requires falling in love many times, always with the same person. Marriages are made in heaven. But so are thunder, lightning, tornadoes and hail. Marriage is the alliance of two people, one of whom never remembers birthdays and the other who never forgets them. Happy marriages begin when we marry the ones we love, and they blossom when we love the ones we marry. Anniversary. Never go to bed mad. Stay up and fight. The secret to a good marriage is understanding that it must be total, it must be permanent and it must be equal. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance. Marriage is more than finding the right person. It is being the right person. A heart in love hears music even when there is silence.
