Quick Overview

Explore the possibilities of Christmas Voyager Gift Basket, a Christmas gift filled with fruity flavours and beautifully presented to reflect the festive period.

Details

For many people the inclusion of a good bottle of red is as necessary in the gift as the basket itself. If this represents your thinking, then let us present our Christmas Voyager. A red wine, combined with a selection of seasonal holiday favourites, ensures that this pioneering Gift Basket has been a firm favourite over the years. The Christmas Voyager is perfect for someone with a sweet tooth as most of the items in this gift basket are on the sweeter side, as they should be at Christmas! Travelling far and wide across the British and Irish isles we found the best products to delight your taste buds this Christmas. The Christmas Voyager Gift Basket is also appropriate for Thanksgiving for any Americans as Thanksgiving Day goes back to the time when Europeans travelled over to start new lives in America. As most of our Christmas Hampers are sent as gifts, we understand how important it is that the gift shows how much love was intended when it was sent, this is why we hand pack all of our hampers with love, guaranteeing it will look beautiful with an outstanding presentation. Christmas Voyager arrives beautifully presented in a traditional wicker hamper with ribbon. Customers love the traditional wicker hampers which we chose, they celebrate the epitome of Christmas, and they create excitement when they are pulled out of the delivery cartoon and the recipient can rummage through and see all the artisan foods they have been sent. The beauty of sending someone a gift like this is that when it arrives it is so beautiful and they will be so touched, but you don't have to go on a voyage to get it to them. We sort that for you. You tell us which gift basket you would like sent to them this Christmas, the Christmas Voyager for example, and we deal with the rest making sure that when it is received the love and care that was intended is more than clear.
