### Details

Our Christmas Venus Duo Gift Basket was updated to include more unusual products and interesting flavours. We try to cover all angles and cast our eyes far into the distance in our cosmic battle with the desires of the marketplace to create bigger, better and more interesting gift basket designs every year. With the inclusion of two wines, why not send this gift basket to a couple of Love Birds, or if it is for someone who you are in love with it isn't out of the question that this Gift Basket could be sent to an individual. Although the flavours are bold, and maybe not the first thing you would reach for if you went to the shops, they are luxurious products with intriguing flavours, we ensure you will love them. This otherworldly Gift Basket lives up to its name, it is beautiful with a stunning array of flavours and a gorgeous bold orange colour theme running through it. The products have been so carefully amalgamated to ensure that they are united in taste, colour and in purpose, and don't you think it looks amazing? Each and everyone of our creators takes such pride in their work, and it pays off, when it arrives, the recipient will know just how much love the gift was intended with by looking at it, never mind before they dig in and are overwhelmed by the intimacy of the flavours. The Christmas Venus Duo Gift Basket contains the finest of Christmas fayre, we have a rich Christmas pudding, starry mince pies and a moist Christmas cake. This differentiates Christmas Venus from all year round gifts and tailors it for Christmas. If you wish to show someone just how much you love them this Christmas, why not finish your search here and send them a Christmas Venus Gift Basket.
