Details

We can assure you that gluten-free doesn't have to be boring. Christmas gifts have to be luxurious and indulgent, and just because someone is gluten-intolerant doesn't mean they should be able to enjoy these products too. It is packed with sweet indulgences including chocolates, gourmet biscuits and even Christmas mince pies to tie it all together for the season. Also including two wines, which are a gluten-free alcohol, unlike beer. At Christmas time alcohol is exceedingly popular, due to the convivial atmosphere it creates, fitting with the Christmas season. We can imagine it can be pretty difficult trying to get foods which are packed full of flavours, enjoyable and a treat when you have a dietary requirement such as gluten intolerance, we want to make this easier for you, and you are exactly who we had in mind when we created this gift. When gourmet food hampers are the future of gift giving, why should some people be at a disadvantage due to something they have no control over. This gift is nothing less than any other ones we create, we did not have to go and buy specialist products, we just ensured that from the selection we had, we only picked the gluten-free options. This means that people with gluten-intolerance can enjoy the same luxurious products that everyone else does. You also don't have to be gluten-intolerant to enjoy this Gift Basket, if you like the look of this Christmas Star Duo Gift Basket or know someone who would, go ahead! These products can be enjoyed by all. It is bright and colourful, bursting of flavour and sweet indulgences that everyone can enjoy.
