Details

The Christmas Senate Gift Basket has great tastes combined with a great look and a great price to make this Christmas the best Christmas ever for someone special to you! With both 4 starry mince pies and a traditional Christmas pudding this gift is unmistakably a Christmas gift. If you are looking for a gift at a reasonable price point for this Christmas that contains items you only get at Christmas and alcohol then you have found it! We haven't included the usual predictable bottle of red or white wine but a bottle of Elderberry Fruit Wine which has been shown to have health benefits as an antioxidant. Alongside this are many yummy treats to be enjoyed, some of the flavours are slighted bolder and maybe not the first thing you would reach for if you went to the shops, they are luxurious products with intriguing flavours, we ensure you will love them. Most of our Christmas gift baskets are sent as gifts to friends and family over the Christmas period and we understand how important it is to our customers that the thought and love that went into sending the gifts is portrayed when the gifts are received. For this reason we take the time not only to design our hampers and gift baskets so that the design and tastes work together, but we also take the time to hand pack your gift with love and care. This ensures that when it arrives it will look beautiful and the recipient of the gift will be able to tell just how much they mean to you. We decorate the gifts with a hand tied ribbon and there is also an option to add a gift card message from you for a personalised touch.
