Details

The festive Celebrations Party Gift Hamper contains a quartet of wines, something which looks spectacular when it arrives for the recipient. Wine adds an element of opulence and grandeur, especially when there are four bottles. This traditional Christmas Gift hamper looks outstanding with a range of sweet and savoury foods, arriving beautifully presented in a large wicker Hamper. The savoury elements focus on the 'afternoon tea' elements of Christmas, with gourmet biscuits and cookies to be enjoyed when you need a sit down during all the mad rush. However, when you are truly sitting down enjoying your wine, there are a wide selection of chocolates, a big box of Lindt and some truffles top it off. There truly is an abundance of gourmet goods which the recipient won't be able to wait before digging their teeth into. Christmas is the time to let loose and forget about the calorie counting and work the next morning, this is truly a Festive Celebrations Party with wines, Heavenly Christmas Cake and Luxury Mince Pies. You would be hard pushed to find someone who didn't love this Christmas Hamper. The Festive Celebrations Party gift basket is both conventional yet also contemporary. With years of experience we know which items must be included to be classed as a 'Christmas' Hamper, yet we put a twist, chocolates with innovating flavours; strawberry and champagne truffles, real fruit jellies. The Traditional elements such as the mince pies and the Christmas cake tailor this Gift to Christmas, ensuring the recipient knows it is Christmas when it arrives, something which is also important.
