Details

A Christmas Food Hamper that has salmon and ham is unconventional, yet the popularity cannot be overstated. The savoury elements have been so carefully populated along with the sweeter components. We have also included Christmas fayre; a rich Christmas pudding, luxury mince pies and a Christmas cake. Ensuring that the items are combined successfully has many steps, they must have harmonising tastes, a colour scheme that ensures unity, and the same purpose, when we create Hampers and follow these steps, the products come together to create a gift as a whole, rather than a mishmash of products in a hamper that looks like there has been no system or control over the selection. The presentation of our hampers is key to us, the Christmas Traditional Mixed Banquet Hamper has a red colour theme, upkeeping with the Christmas seasonal colours. It also arrives in a lidded wicker hamper, the wicker gives these hampers a traditional feel that can't be beaten at Christmas time. Recipients love accepting their gifts in this style of Hamper, it just looks so good with the big ribbon tied around it, in time for Christmas, and that's before they open it up and see all the amazing products that are inside. Wine is a very popular addition to the Christmas Food Hamper range, wine is enjoyed especially in a convivial atmosphere, which is exactly what Christmas is for. Wine can age with time, but also is rarely left to collect dust, which is why it is so popular as a gift. The wine and also the inclusion of the salmon and ham creates a stand-offish Christmas Food Hamper, in the most wonderful way possible.
