Details

Gourmet Pathway has been created in a box of happiness to bring joy wherever it is sent. We created a range of cheesy hamper-gifts a couple of years ago and the Gourmet Pathway came through as a top-seller. Thanks to the combination of fun colours, products and the price it is an ideal gift for so many people. With cheese and wine being the centrepiece, we made sure to add a fun mix of sweet and savoury snacks. Once we know we have included the classic favourites, such as a full bodied red wine, creamy cheeses and single estate chocolate, we can add in a few fun and unique items. To create a variety of flavour we added a bottle of ginger beer and air dried jerky. There is a fun purple colour flowing through this cheesy hamper, creating a sense of luxury and mystery upon opening. The recipient will enjoy tucking into the layers of snacks packed within our hamper-gifts. We try our best to include items which cannot be found in your typical shops, creating a fun and mysterious feel when opening the box, it will definitely be a memorable experience. Sourced from only the best suppliers across the British and Irish isles we have compiled a selection of only the best items to create not a box of goodies, but an enticing selection of hamper-gifts. The beauty of our cheesy hamper-gifts is that they can be sent for any occasion. Whether that be birthday, celebration, or thinking of you. It is suitable for all and no matter the occasion everyone enjoys a little indulgence. Let them know you are thinking of them with the cheesy Gourmet Pathway hamper gift, they'll be thinking of you too!
