Details

Our Great-Taste Award gift-hampers range is characterised by our desire to create better, modern food gift-hampers that celebrate the skills and dedication of micro producers across GB and Ireland. We introduce supporting high quality food elements, which are memorable, practical and distinctive. The Great-Taste Award Sovereign Gift-Hamper has a perfect blend of both sweet and savoury foods to suit every ones tastes. We have included single estate chocolate truffles and real fruit jellies to hit that sweet spot, and air dried jerky and cheese for when you fancy a savoury snack. Thanks to the diverse range of flavours in this hamper, we can assure you that there will be something in it for everyone. The Great-Taste Sovereign is perfect for sharing in a group, yet it is not too grand to overwhelm an individual with lots of snacks they can graze over. The Great-Taste Award Sovereign gift-hamper has a traditional colour scheme running through it with a pop of blue, which helps to tie the products together to make this more than just a selection of products but a great gift-hamper, that anyone would feel lucky to receive. The traditional blacks, browns and sovereign colours create a traditional hamper with a feel of luxury, yet the blue adds life to the hamper making it a joy to unpack. When we design gift-hampers it is very often far more important to define what we are not going to include, than what we are. For the Great-Taste Award gift-hampers range we reserve foods that are a little bit special, and often too expensive for inclusion in conventional hampers. Only once the products are harmonious in colour, taste and purpose are our gift-hamper finalised. When we critique and perfect our gift-hampers to this level we know that our customers will be happy with them. This is an incredible hamper and I'm sure you're able to see why! Our GTA gift-hampers have been delivered to GB for more than ten years now. All of our gift-hampers for GB ship within one to two working days after ordering. Normally, delivery to GB is next day, for more remote areas of the GB it may take an extra day.
