Details

The Great Taste Award Platinum Luxury Hamper blends traditional flavours with contemporary, modern tastes to such an extent that our luxury hampers clearly stand out impressively in a sea of ordinary competitors. Filled with food gifts which are so impressive in terms of taste, they are able to stand on their own as individual gift items. Great Taste Award accreditation stands testament to their quality. We have included the traditional goods we know everyone loves in the Platinum Hamper: baked goods, chocolate, and savoury delights. We have mixed it with the bold contemporary: air dried jerky and chocolate enrobed fruit. The result, a masterpiece. We have even included tea and coffee to compliment the arrangement of baked goods, no matter your preferences there is something in this luxury hamper to meet your every desire. The Platinum hamper creates a sense of luxury just upon looking at it. The traditional black, kraft, and grey colours blend this gift together to create a feel of grandeur. The pops of blue throughout add a layer of depth to this luxury hamper. We know whoever has the luxury of unpacking this treasure chest of goodies will appreciate the high quality of items combined with a perfect colour scheme throughout. The Platinum Luxury Hamper is an all-year round favourite, and it is no wonder why. With such a variety of well loved products it has an abundance of indulgence within. However, at Christmas when as a whole we all love to indulge that little bit more, and appreciate good tasting food more, it is no surprise that the Great Taste Award Platinum Hamper is a top-seller.
