

Details

A funny and honest family poem print in A4 size with funky typographic design. Our witty and heartfelt family print makes the perfect gift for parents, siblings and friends - whether it's for a birthday, christening, Christmas, Mother's Day, or becoming a new parent. Touchingly, it is also a popular gift for newly adopting families, which makes us very proud! What is a Family? It's sharing, comparing, bonding & caring It's hugging & squeezing, talking & teasing It's praising & knowing, belonging & growing It's guiding, providing, trusting, confiding It's loving & kissing, nurturing, missing It's working & playing, treating & paying It's arguing, fighting & often delighting It's visiting, hosting & Sunday roasting It's relaxing & boring, most reassuring It's coaxing & charming, appeasing & calming It's waiting, debating, fulfilling, elating It's needing & feeding & tactful conceding It's driving, conniving, learning & thriving It's holding & nursing, worrying, cursing It's stressing, confessing & making a messing It's loaning & moaning, helping & phoning It's bickering, laughing, bedding & bathing It's listening, coping, planning & hoping It's relying, crying, a little white lying It's forgiving & mending, liking, depending That's what makes a family!
