Details

New babies can have endless amounts of baths - and bath time can be an incredibly important bonding time for baby and the new parents. This is the reasoning behind the development of the Bath Time Baby Girl Gift Basket. In 2020 more and more babies are born with allergies and sensitive skin conditions. This is why it's so important to select a new baby gift which has been purposely designed to cater for allergies. Even for normal babies skin it is important to make sure the bath water is safe for sensitive skin, as lots of washing can quickly dry out skin and cause rashes making baby uncomfortable. The Girls Bath Time Baby Gift Basket features an award winning baby wash and moisturising gift set from the "Les Petits" (for little ones) pure and natural skincare range at Seascape Apothecary, featuring ingredients sourced from products on the beautiful island of Jersey in the Channel Island. Dermatologically tested, mild enough for daily use, and safe for babies due to natural fragrance from essential oils, this beautiful bath time baby girl gift hamper will be appreciated by all new parents.
