Details

"This Christmas hamper has been designed for those who want every item to be thoroughly enjoyed and remarked upon. With a jaw-dropping eighty-nine full-sized in this luxury Christmas hamper that call upon to be spread over a full three hampers to make this impressive gift that will not disappoint anyone in size, weight or volume. We are amazing value for money, especially at our higher price point luxury Christmas range. To compare to an English hamper company that is selling a Christmas hamper with similar products at a similar price point but to compare to the eighty-nine full-sized products in The Princes Choice they have only thirty-seven items. We are offering almost three times as much for your money. An amazing deal at Christmas time. We don't just focus on how much we can get in our hampers or how big we can make them look. That would be pointless. Our main focus has always been quality. These are luxury Christmas hampers and it shows. Each product has been personally tested by us, we wouldn't give you anything we wouldn't like to receive. These hampers are bigger and better than anything else you could get anywhere else. With cheese, wine and chutney this is a sophisticated twist on a classic Christmas hamper. Sweet and savoury treats such as chocolates, biscuits and crisps give the traditional elements of this hamper a modern flair without overriding them. We take the time and effort to hand design and hand pack all of our hampers in house, even at Christmas when we are at our busiest, so you know you are getting the best, most personal, service possible. The result is the hamper you see before you today. Products that work harmoniously together, not just in thought but in taste and look which are just as important. "
