## Details

The Trumps All is our largest luxury Christmas hamper that we offer with a grand total of 125 high-end full-sized products coming together in harmony. 'The Trumps All' isn't just a name, this hamper really does trump all; it has Christmas fayre with Christmas cakes, Christmas pudding, mince pies and more, it has luxury chocolates and baked goods to keep you going all Christmas long, it has sweet and savoury gourmet treats to satisfy everyone's tastes, it has red wine, white wine and Champagne. You aren't missing out when you get The Trumps All. We are insanely good value for money in the Luxury Christmas Hamper market. If you compare The Trumps All to a Hamper sold by an English hamper company at a similar price point, they are selling their hamper with under 40 items in it compared to our 125 full-sized highest quality items. We don't just focus on how many items we can get into our hampers so they can be the biggest, that would be pointless. Quality is the pillar of all of our Christmas Hampers, we never include an item that we wouldn't be happy with ourselves, this has led to growing a huge customer base over the years as our customers trust us. This means we have the biggest and best Christmas hampers in the market for your money. Throughout the year we spend our time gathering the very best products that we can find. We source gourmet products from small artisan producers from across Britain and Ireland as well as from across Europe to find the best quality products for you. We are able to give you an original gift as opposed to something that could be found on any supermarket shelf or a soulless gift given to you by a fulfilment centre.
