

Keeping it Real - Energy Gift Basket

£62.99

Quick Overview

Good for you fresh fruit bundled with not so good for you chocolate and sweets. High grade cocoa contents, real fruit pulp and natural colouring and flavours at least negates some of the guilty feeling associated with such luxuries!

Details

The Keeping It Real Fruit Basket adds that little something extra to a basket of fruit and in the case of our Energy Basket, which already included high energy fruits such as bananas, figs, mangoes and Medjool Dates, along with the staple fruits, this amounted to some Natural Sweet products, some Gourmet Chocolate, handmade Truffles by Skelligs (absolutely delicious.) The fresh Mango, of course, will have to be eaten relatively quickly but then there will still be the chocolate enrobed Mangoes to compare, contrast and enjoy and these are decidedly addictive.
