### Quick Overview

Our "Love Mummy and Baby Boy" Gift Basket is an endlessly thoughtful new baby gift package filled with gifts that will serve to soothe, encourage and congratulate a new mother and welcome her new baby boy.

### Details

The focal point of this beautiful gift basket is the "Why I Love You Mummy" printed poem print for her home. The theme of this very sweet poem is all about what Mummies do, and how much they mean to a baby and child. With words such as "you celebrate each milestone new, you put me first in all you do" we know this thoughtful gift will provide a new mum with the encouragement she needs over the next few months of sleep deprivation, and endless feeds with hew newborn baby. We've also included a gift bottle of new mother bath soak for the new mum to take time out for herself to allow her body and mind to restore and rejuvenate. She'll find the 'Yummy Mummy' gift mug for hot drinks very practical, and the chocolate gift box will of course be very welcome. Gifts for her little baby boy include an adorable teddy bear comfort blankie that will quickly become baby's best sleepy time companion, and a gorgeous 100% organic cotton new baby bodysuit.
