Quick Overview

A favourite Italian dessert cream made from hazelnuts, cocoa and sugar. Seriously addicting, it's the creme dela creme of hazelnut and chocolate spreads! Each jar is made from gorgeous Belgian chocolate and a generous amount of hazelnuts (45%), more than 3X as much as Nutella's 13%. And although rich in flavour, our Gianduia has 31% less sugar than Nutella, so you can have more of the pleasure and less of the guilt.
